

South Coast Task Force on Youth Gangs

[Santa Barbara Area]

Task Force Coordinator

This position serves as the lead staff to the newly established task force on youth gangs. The position will not provide direct services but rather coordinate the activities of existing stakeholders involved with the intervention, prevention and suppression of local youth gangs. The ideal candidate will be an excellent administrator with solid coordination and management skills. The Coordinator must be astute and diplomatic in recognizing and addressing various needs and requirements often predicated on political, organizational and community considerations.

An educational background or professional experience in human services, social services, probation, criminal justice, crime prevention or youth gangs would provide an ideal background for this assignment. The minimum education/experience requirements consist of a Bachelor's degree in a related field and five or more years of increasingly responsible administrative/management work with at least one year of project management experience.

For more information see <http://www.cacsb.com/pdf/TaskForceCoordinatorJob07-10.pdf> or contact Human Resources at 805-964-8857 x 116. This position is available immediately and the recruitment will remain active until the position is filled. To apply, forward a letter of interest highlighting qualifications, include resume and compensation expectations to:
